**Info:**

The Rolex Olive Green Dial with Diamond Bezel refers to a specific version of the Rolex Datejust watch that features an olive green dial and a diamond-set bezel. The Rolex Datejust is a classic watch that has been in production since 1945 and is known for its timeless design and reliable performance.

The olive green dial on this particular version of the Datejust is a unique and distinctive color that sets it apart from other watches in the lineup. The diamond-set bezel adds an extra touch of luxury and elegance to the watch, making it a popular choice among collectors and enthusiasts.

The Rolex Olive Green Dial with Diamond Bezel version is available in a variety of materials, including stainless steel, gold, and platinum, and can be customized with different bracelet options. It is a highly sought-after watch and may command a premium price on the secondary market, depending on its condition and rarity.

It's worth noting that Rolex does not produce this exact model in their current lineup, so it may only be available on the secondary market. As with any luxury watch purchase, it's important to verify the authenticity and condition of the watch before making a purchase.
